Time (is this a 1 day 50 minute lesson, 5 day 1 hour lesson, once a week over a month lesson....):

1 hour

What do the students already know? (This could be the Intro or they have learned information before starting this lesson):

The students already know about adverbs and they will be learning about adjectives.

Objective (What are the students’ going to accomplish):

The students are going to learn the definition of adjectives and they will be able to pick out adjectives in a sentence.

Materials:

Smart board Interactive Whiteboard Adjectives

Procedure:
The students will be shown a smart board interactive whiteboard activity that involves adjectives and learning about adjectives. At the end of the week the students will take a quiz so I can see how much the students learned.

**Assessment (How will the students’ show you that the objective has been met):**

The students will show me that the objective has been made by taking a mini quiz at the end of the week. The students will also be asked which words are adjectives in certain sentences.

**A Brief Description Of The Entire Lesson - Plus Any Additional Information to be Included:**

I will use the smart board interactive whiteboard activity to show the students some games and activities involving adjectives and they will learn what adjectives are. I will give them a quiz at the end of the week to see how much they learned about the subject.

(I should be able to see and understand your entire lesson by reading this. Remember, Technology is not the lesson. It enhances the lesson)
